The world's getting even more exciting for your one year old. The desire to touch, taste and explore his surroundings comes naturally at this age. He is growing up incredibly fast – thanks to all your tender loving care and a great diet. Every part of his body is developing. Walking and talking are definitely on the way. Your baby is leaving behind the adorable baby stage to become an adorable (and rather more mobile) toddler. As your child grows, the things he needs also change, like toys, clothes, diapers and nutritional needs. Your child has specific nutritional needs for each stage of growth, which must be met through a rich, varied and balanced diet.
