At 6 months old, your baby is ready to try first solid foods. Packed with all the necessary nutrition to support growing needs, NESTLÉ CERELAC is available in 9 different and delicious variants which your baby will love. Great for taste and big on nutrition! NESTLÉ CERELAC Chansa is a convenient and nutritionally adapted complementary food that contains single grains, that adds another step in your baby's journey of nutritional discoveries. It is rich in iron making it the first ideal weaning food for your baby.

Top 2 Features and Benefits

Babies require 5 times more Iron than adults, which is why NESTLÉ CERELAC is fortified with Iron. 2-3 helpings of NESTLÉ CERELAC help in the physical and cognitive development.

Preparation, usage and service

Boil clean water for 5 minutes and allow to cool. Measure 75ml lukewarm water and pour into a feeding bowl. Add 25g or 4 leveled tablespoons of NESTLÉ CERELAC and mix well. Ensure that the baby is fed with a clean spoon. To preserve its freshness and taste, store NESTLÉ CERELAC in a cool place and an air-tight container; use within 3 weeks of opening.

Storage

To preserve its freshness and taste, store NESTLÉ CERELAC in a cool place and an air-tight container; use within 3 weeks of opening.

Ingredients

Wheat flour, Skimmed milk, Chansa, Sucrose, Vegetable Oils, Minerals, Soya Lecithin, Vitamins, Bifidus Culture, Natural Flavor extracted from mango

Disclaimer:

The World Health Organization (WHO) recommends exclusive breast-feeding for the first 6 months. Consult your doctor for advice on when to introduce complementary foods to your baby. Breastfeeding should continue for as long as possible after introduction of complementary foods.
